Response Due Date:

Identification Number: C00099267

Reference: Amended April Monthly Report (3/1/06 – 3/31/06), received 5/19/06

Dear Mr. Soechting:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.2(d) prohibit a state, district or local party committee (combined) from receiving any contribution from a multicandidate political committee in excess of \$5,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

-Schedule H4 supporting Line 21(a) of your report discloses payments for "salary," "payroll taxes" and "employee insurance". Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1301.

Sincerely,
